The WELLESLEY AMATEUR RADIO SOCIETY will hold its January Meeting on TUESDAY, JANUARY 14th at 8:00 PM in the Club Room. The Club Meeting Room is located in the basement of the Wellesley Hills Branch Library, 210 Washington Street, Wellesley Hills.

It is a great pleasure to have Jim Fisk, W1DTY, Editor, Ham Radio magazine speak to us about "Solid-State Transmitters". We have asked members of the Middlesex Amateur Radio Club to be present also. This should be one of our best meetings, so please plan to be present.

Due to the resignations of Jack Rathmell, WA1FSH and Pam Rathmell, WA1FSI, the Club needs new Officers. I understand Jack and Pam are in Europe. The following nominations have been received:

PRESIDENT: John Porter, K1PRB
VICE PRESIDENT: ~~Lud Fasolino, WA1DRC~~ HAMK WA1CSN
TREASURER: Geoff Talbot, WA1EGL
SECRETARY: Jim Crump, W1EWN

The life blood of any organization is its active participating membership. Plan to mark this date on your calendar.
